LIST OF CONDITIONAL DUTY EXEMPTIONS

Explanatory Note

The List of Conditional Duty Exemptions contains the goods which Member States may exempt from duty under the CARICOM Common External Tariff when such goods are imported by persons, enterprises or organisations in the circumstances, or for the purposes specified in the List.

RULES GOVERNING THE APPLICATION OF THE LIST OF CONDITIONAL DUTY EXEMPTIONS

EXEMPTIONS AND CONCESSIONS

1. A Member State may refuse to grant full duty exemption for any good eligible therefore under the List and may choose instead to apply a level of import tariff on such good not higher than that provided in the Schedule of Tariff Rates.
2. In a number of cases (for example, in connection with shipping and aircraft, for health, governmental, social and cultural purposes), while the scope of the duty exemption has been specified, each Member State is free to approve the beneficiaries (whether the individual, the institution or the organisation) of the exemption.
3. The reference in the List to goods for the use of international organisations or their personnel is understood to include inter-governmental organisations operating within the Common Market, pursuant to an agreement in force between such organisations and the Government of one or more Member States.
4.
 - (a) Where the goods produced by an enterprise do not meet the qualifying conditions set down with respect to those goods in Schedule II to the Common Market Annex to the Treaty that enterprise will not qualify for exemption from duty with regard to the materials utilized in the production of those goods.
 - (b) This Rule will not apply to goods which are produced for export to third countries.
 - (c) The Rule will have effect only with regard to concessions approved following entry into force.
 - (d) This Rule will enter into force concurrently with the entry into force of the amended Common Market Origin rules established by the Council in July 1990, and the agreement by the Council with respect to the amendment of the Harmonised Scheme for Fiscal Incentives to take account of the provisions of this rule.
